SUBJECT: EPCOR Wastewater Case WS 01303A-16-0145

To Whom it May Concern;

I am a resident of Verrado and an EPCOR wastewater customer, and I am asking the Arizona Corporation Commission to decide in favor of full consolidation of EPCOR's wastewater districts into a single rate structure.

We live in the Agua Fria district, and our disparate communities have been consolidated for fifteen years. The Arizona Constitution specifies that people and places should pay the same rate for "like and contemporaneous service". That we receive such service cannot be disputed. It's time to bring all EPCOR-served communities under the same pricing.

Our community, and others in Agua Fria, have been subjected to severe fluctuations in rates over the past six years because the Commission had yet to clearly state a position on consolidation, allowing communities to drive the conversation, solely to preserve their own rates. In the Water Workshop this spring, the Commission finally made a statement in support of Consolidation regarding smaller companies and customer bases. It is my strong hope that you will stay the course on this issue and consolidate EPCOR districts once and for all.

We all receive the same service from the same company under very similar conditions. We should all pay the same price for that service.

Thank you for your attention to this matter.
